PUBLIC DOMAIN DEDICATION FOR THE WORKS OF NORMAN STEPHAN KINSELLA

In plain English: Anyone may copy, publish, translate, adapt, sell, or otherwise use any of my published work, past or future, for any purpose, without asking my permission, paying me, or crediting me. (Credit is appreciated, but not required.) The only exceptions are listed in Section 2.

DEFINITIONS

1. Kinsella Works. The "***Kinsella Works***" are my published works, including those posted at www.stephankinsella.com, www.c4sif.org, www.propertyandfreedom.org, mises.org, and elsewhere online, and any other works authored by me, in the past or in the future (including books, articles, blog posts, speeches, podcasts, audio and video recordings, and slides), to the extent I own the copyright or related rights in them.

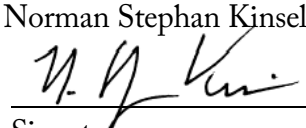

2. Exceptions. The Kinsella Works do not include any works authored by me whose copyright has been assigned or exclusively licensed to a publisher, including: *International Investment, Political Risk, and Dispute Resolution: A Practitioner's Guide* (Oxford University Press, 2d ed. 2020); *Protecting Foreign Investment Under International Law: Legal Aspects of Political Risk* (Oceana Publications, 1997); and *Louisiana Civil Law Dictionary* (Quid Pro Books, 2011) For co-authored works, this dedication covers only my own rights.

3. Dedication Date. For works published as of the date specified below, that date is the "***Dedication Date***"; for any other work, the Dedication Date is the date I first publish it, unless it bears a different notice.

DEDICATION

4. Dedication. I, Norman Stephan Kinsella, hereby irrevocably apply the Creative Commons CC0 1.0 Universal Public Domain Dedication (https://creativecommons.org/publicdomain/zero/1.0/legalcode) to the Kinsella Works, worldwide, as of the Dedication Date. To the greatest extent permitted by law, I waive all copyright and related or neighboring rights in the Kinsella Works. If this waiver is for any reason ineffective or unenforceable, I grant the unconditional public license provided in Section 3 of CC0.
